## Green/Yard Waste Bins Misuse

Unfortunately, there has been some abuse of our Yard Waste Site recently and we would like to reiterate that this service is for the use of Lucan Biddulph residents only!

This site is NOT for:

- Commercial users (landscaping businesses etc.)
- the disposal of unacceptable materials include: sod, soil, stumps, pallets, rock/stones/brick, anything plastic, branches over 4" in diameter, construction material.

If these guidelines are not followed, it has an impact on the overall cost which threatens the sustainability of the program. The Yard Waste Depot is now being actively monitored with cameras. Misuse will be followed up on and may result in fines for the offenders and possible removal of the service.

## Upcoming Events

- **May 24<sup>th</sup>** – Lucan Local Main Street Night Market (5pm-8pm)
