## Winter Parking Restrictions Starting November 1 – April 30

Overnight parking restrictions are back in effect as of November 1, 2024.

By-law 44-2022 regulates parking in Lucan Biddulph Township. The Township's parking regulations prohibit parking on any street or municipal parking lots between 3am and 6am between November 1 and April 30. This is particularly important for winter snow removal.

Also, please don't forget to bring in your basketball and hockey nets from the edge of road and out of the way of snow plows. If you live on a rural road, check that your mailbox is securely attached to its post.

## Free Public Skating

10am-11am  
November 10 & 24  
December 1, 15, 22, 29
